PREMIER STAMFORD LOCATION

**STATE-OF-THE-ART
HEALTHCARE FACILITY**

260 LONG RIDGE ROAD

Over the last several years the healthcare industry has undergone a dynamic change and seen a “Flight to Quality” by creating facilities that offer multi-disciplinary medical practitioners with state-of-the-art technology to provide the best possible patient experience. **260 Long Ridge Road** is such a medical campus. Located at the verge of North Stamford and the Stamford Central Business District; 260 Long Ridge Road is becoming the center piece of a variety of healthcare services for the changing Stamford market. The site is primed to capture an untapped corner of the market. It is already home to a major medical system and with the soon-to-be completed 168 unit senior living community located on the adjoining site, the opportunities are endless.

Building highlights include:

- Home to Reproductive Medical Associates, DaVita, Northeast Medical Group, Dermatologist Physicians of CT, Greenwich Hospital, and Yale New Haven Medical Group.
- Conveniently located for employee and patient populations.
- Excellent location for multi-specialty healthcare growth.
- Ample parking for tenants, clients & patients.
- High traffic corridor at over 35,000 cars per day.
- New elevators, building mechanics, ADA bathrooms and facade.
- Flexible floor plans.
- Easy access to the Merritt Parkway, 1-95 and Stamford's Central Business District (CBD).
- Prominent branding opportunity.
- Beautifully appointed new lobby entrance and landscaping.
- Modern campus environment in a park-like setting.
- Dedicated elevator to 3rd floor.
- Pedestrian friendly stairwells.
