# JL 260 TR LONG RIDGE ROAD

260 Long Ridge Road is located within the premier medical campus in Stamford, Connecticut, at the epicenter of the revitalized Long Ridge Road mixed-use corridor. Recent improvements in community access, infrastructure, and lifestyle services have elevated the overall consumer experience. With an emphasis on patient-oriented services within the healthcare industry, 260 Long Ridge Road delivers state-of-the-art technology for the highest quality care.

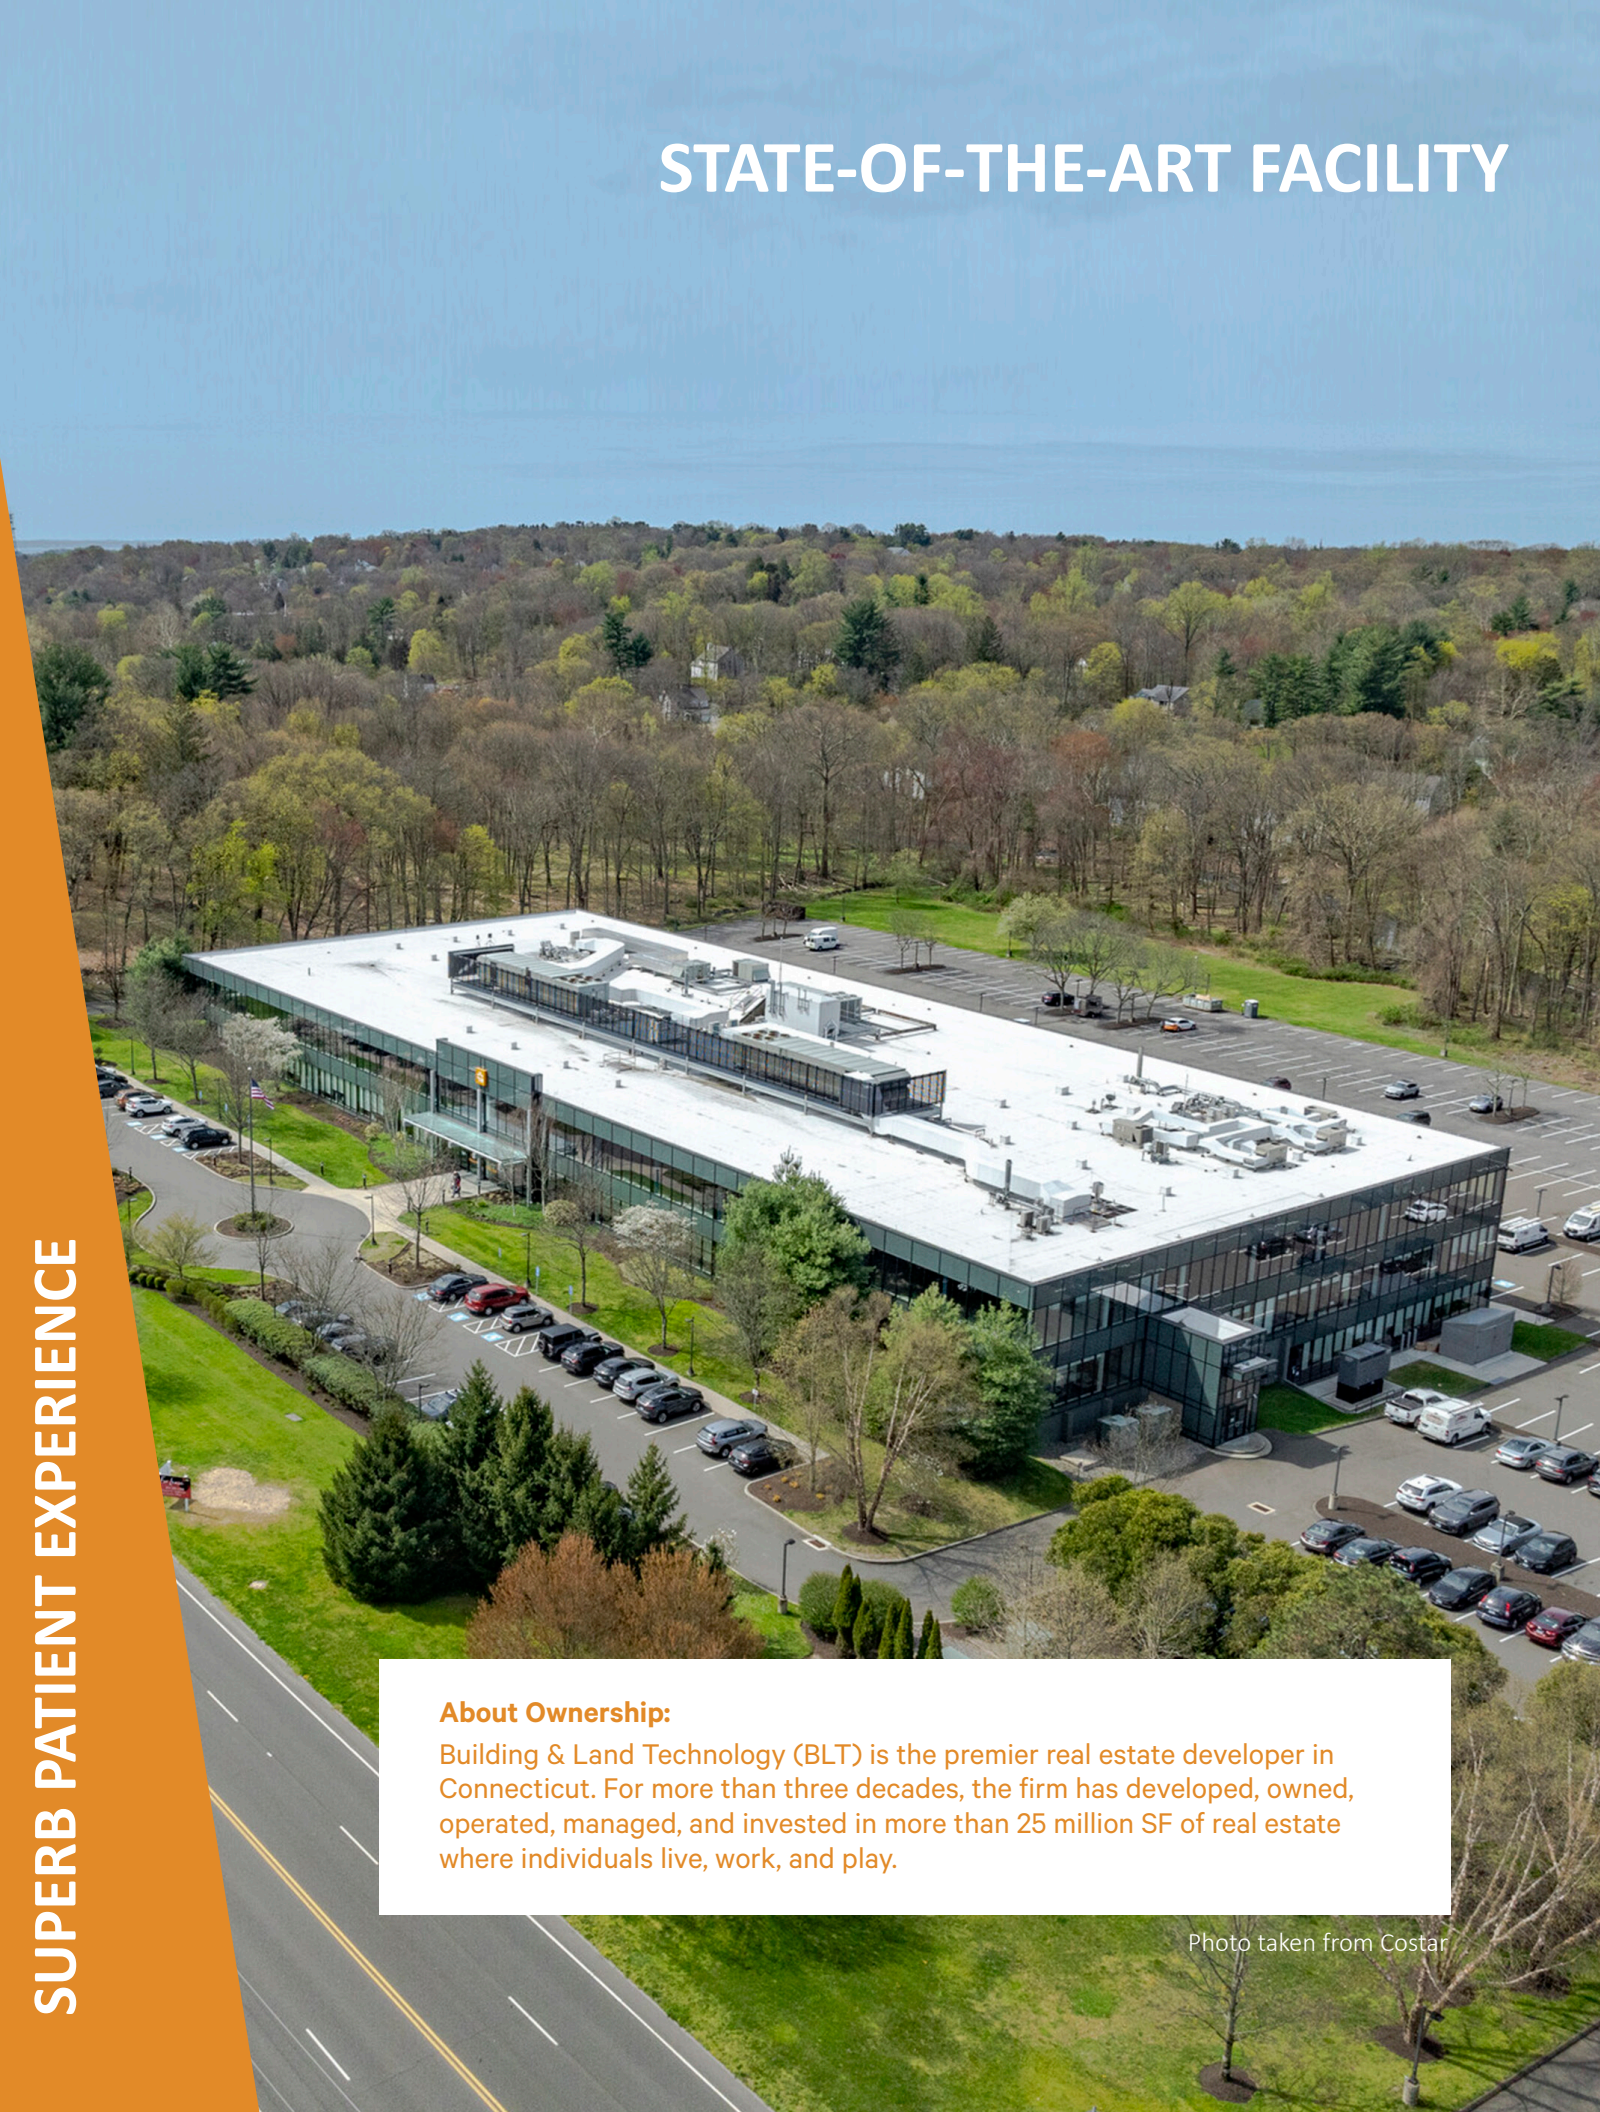

## Building highlights include:

- Stamford Health and Greenwich Hospital/Yale New Haven co-anchor the Property with patient care operations.
- Also home to DaVita, Illume Fertility, Dermatologist Physicians of CT, and Mozaic Concierge Living.
- Mozaic, a 168-unit Senior Living Facility located on the adjoining site, is scheduled to break ground in 2025.
- New elevators, building mechanicals, ADA bathrooms, and facade.
- Immediate proximity to downtown Stamford CBD and the Merritt Parkway. Walking distance to Bull's Head Shopping District.
- Stamford Department of Transportation's Pedestrian Path, which will provide walkability to the site from nearby locations, will be completed by Fall 2024.
- Signalized turning and excellent frontage on one of the more highly trafficked roads in Stamford.
- Direct entrance, independent lobby, and signage can be made available to the tenant for remaining availability.
- Mobile Food Truck services on-site and open daily from 8 AM – 2 PM.

ACCESS, VISIBILITY AND  
SUPERB PATIENT EXPERIENCE

## STATE-OF-THE-ART FACILITY

### About Ownership:

Building & Land Technology (BLT) is the premier real estate developer in Connecticut. For more than three decades, the firm has developed, owned, operated, managed, and invested in more than 25 million SF of real estate where individuals live, work, and play.
