LIVE, WORK & PLAY

Building and Land Technology strives to create vibrant and thriving communities for our partners. As a vertically integrated developer with an entrepreneurial spirit, BLT enhances and connects your experiences as you live, work, and play within our communities.

Discover the perfect blend of cosmopolitan flair and laid-back waterfront living at Harbor Point. Our three marinas—Harbor Point North, East, and West—offer over 200 slips for vessels from 20' to 120' in length. Nestled along the Long Island Sound, our marinas provide access to a vibrant community with 200+ annual events, complimentary trolleys to the train station, water taxis, nearby parks, and award-winning restaurants.

HARBOR LANDING, A VIBRANT ECOSYSTEM WITH HISTORICAL CHARM UPDATED FOR THE MODERN WORLD

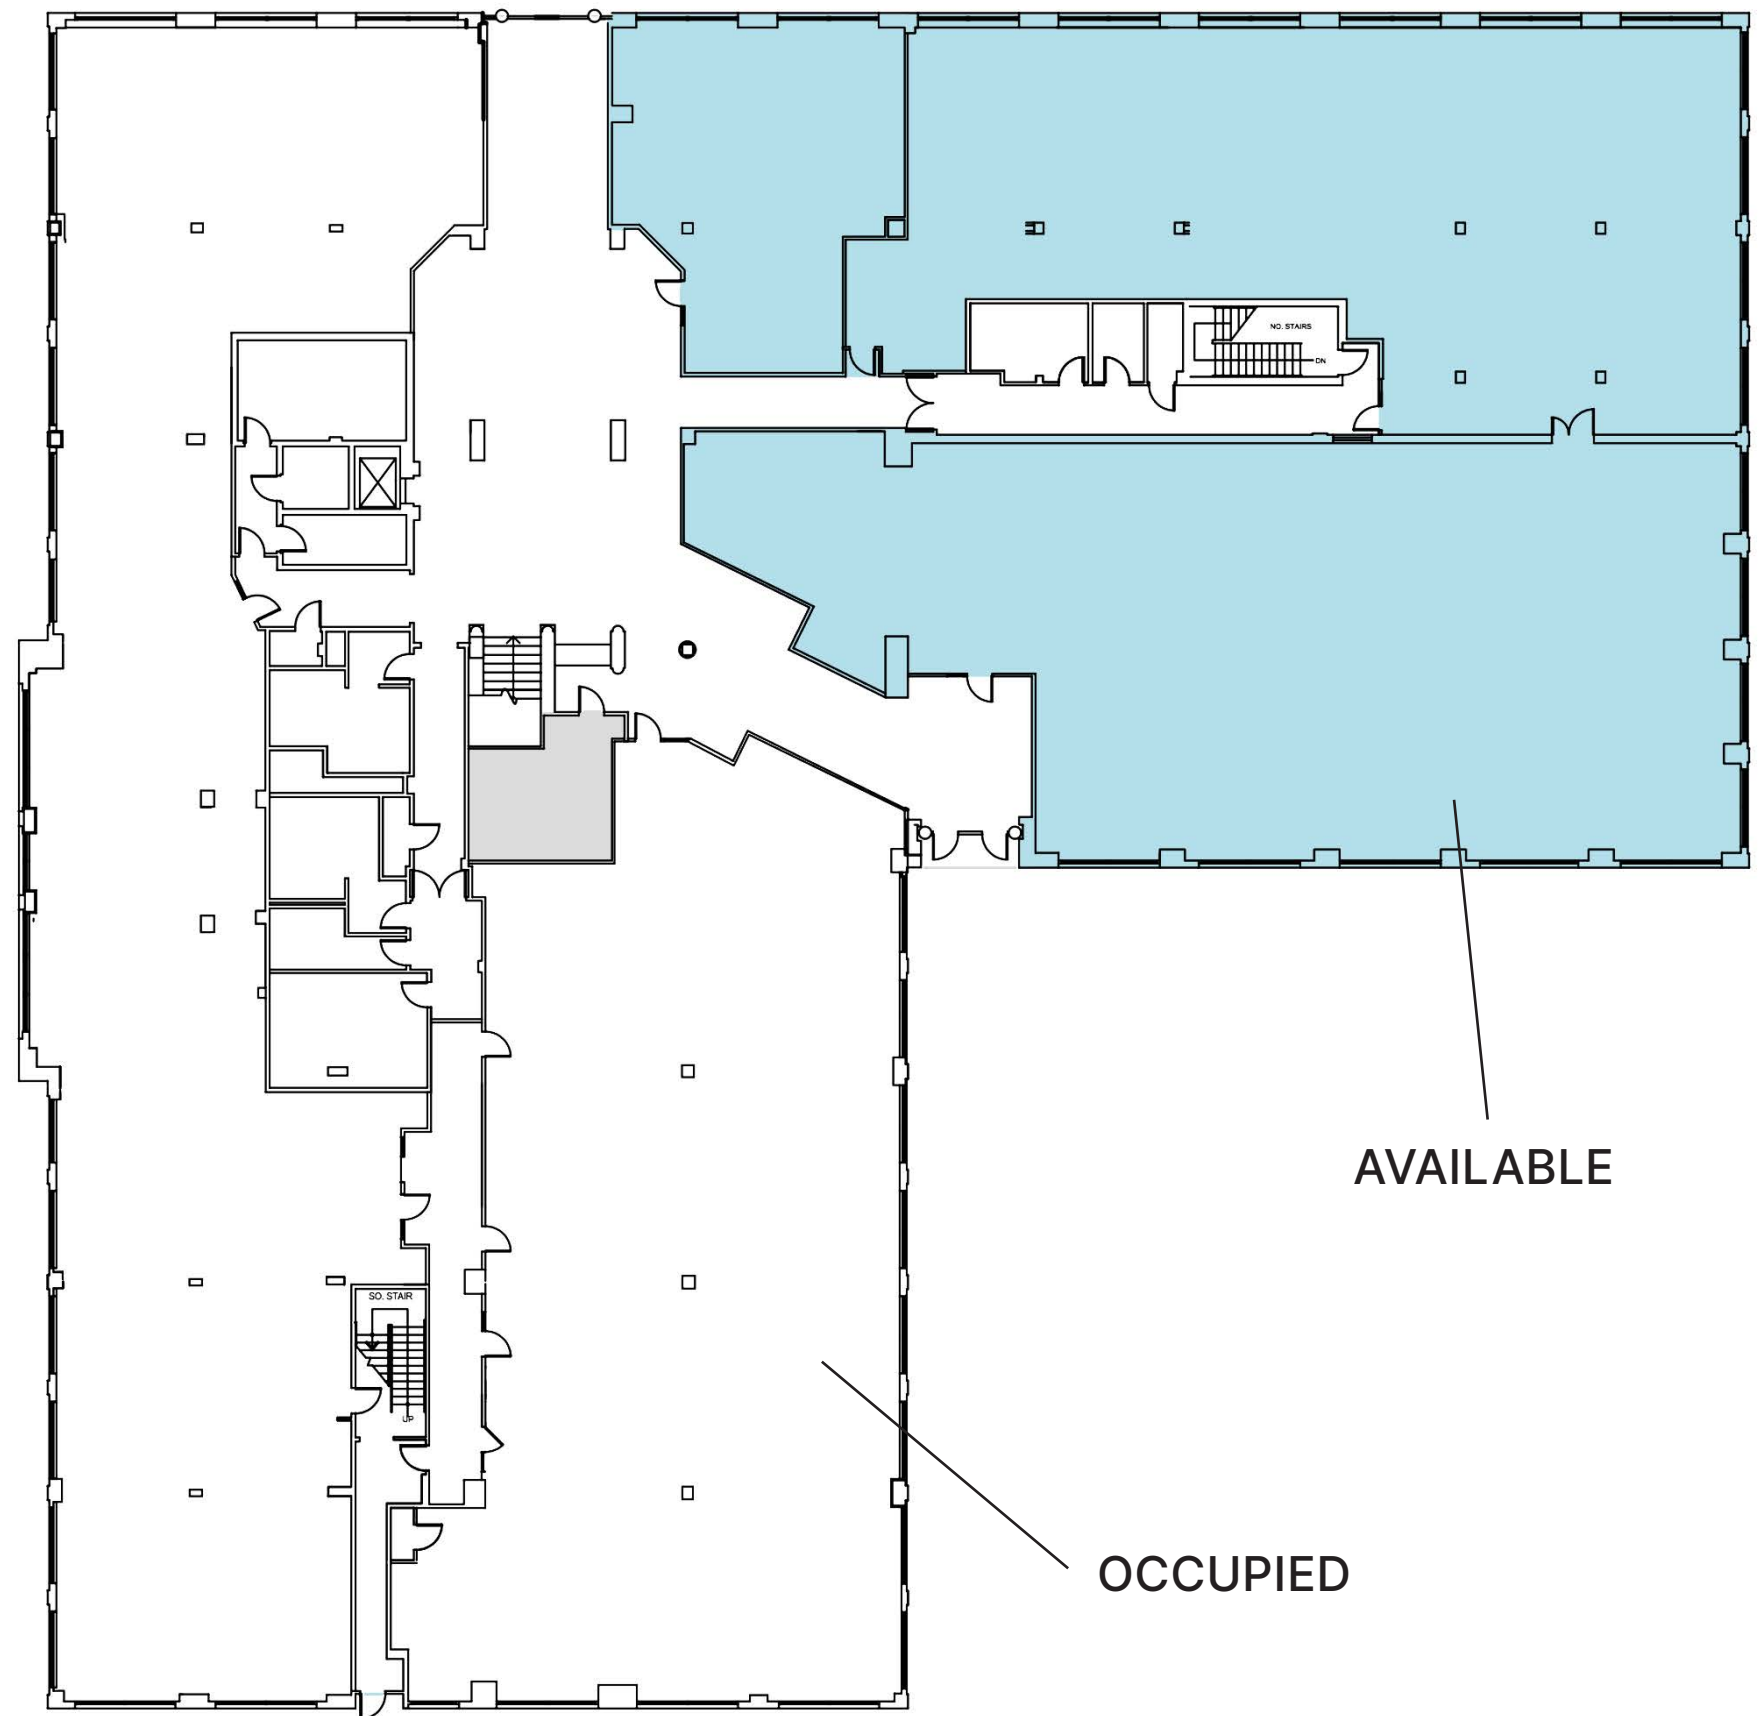

- Harbor Landing is a Class-A, easily accessible waterfront office community. Located right off I-95 and within walking distance to the Stamford Transportation Center your employees will enjoy an easy commute.
- While in the office they will be inspired by the stunning views of Stamford Harbor and the activated boardwalk. During lunch they can choose from two of Stamford's favorite restaurants, Prime or The Crab Shell right in their backyard or take the seasonal water taxi to Harbor Point for additional restaurant and retail options.
- Plan a memorable company outing that is just steps away from your office at SoundWaters, where your employees can get on the water and learn to sail or grab a kayak and enjoy the Long Island Sound. Tenants can also take advantage of additional outdoor space at John J. Boccuzzi Park.
- Each of Harbor Landing's buildings offer first class property management, dedicated fiber with speeds up to 10 GB, secure access, and backup generators ensuring the resiliency of your company.
