

Your Rights Under Title VI of the Civil Rights Act of 1964

Title VI of the Civil Rights Act of 1964 provides that “no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance”.

The City of Stamford is committed to ensuring that no person is excluded from participation, denied benefits, or otherwise subjected to discrimination under any program or activity, on the basis of race, color, or national origin.

The City of Stamford, as a recipient of federal financial assistance, will ensure full compliance with Title VI of the Civil Rights Act of 1964, as amended, and related statutes and regulations in all City of Stamford programs and activities.

The City of Stamford provides, without regard to race, color, or national origin:

1. transit services and benefits that are available and equitably distributed;
2. a level and quality of transit services that are sufficient to provide equal access and mobility for all persons;
3. opportunities to participate in the transit planning and decision-making processes; and,
4. fair decisions on the location of transit services and facilities.

These objectives are the basis for the City of Stamford's Title VI Program.
